MOORE, Ryan
Case No. 3:13-CR-00097-24
February 14, 2014

The petition dated February 5, 2014, is superseded to include one additional counts of Violation Nos. 2 and 3, and the addition of Violation No. 4. Additionally, the Violation, Probation Officer Action, and Pretrial Services recommendation sections have been edited.

On June 3, 2013, defendant Ryan Moore appeared before Your Honor for an Initial Appearance as a result of being charged with violating Title 21 U.S.C. § 846, Conspiracy to Possess With Intent to Distribute and to Distribute Oxycodone, Hydromorphone, and Oxymorphone, Schedule II Controlled Substances; and Buprenorphine, a Schedule III Controlled Substance. The Government did not file a Motion for Detention, and the defendant was released on a personal recognizance bond with pretrial supervision.

As Mr. Moore had an active state probation violation, on June 7, 2013, he was released on a detainer to Wilson County, Tennessee. On October 20, 2013, the defendant was released from local custody.

On November 20, 2013, Mr. Moore reported for pretrial supervision.

On January 7, 2014, the bond revocation hearing was continued to February 20, 2014, to monitor the defendant's compliance on Pretrial Supervision. Mr. Moore has again violated the conditions of his supervision.

Special Conditions of Release:

Please reference the attached Order Setting Conditions of Release.

VIOLATION(S):

Violation No. 1: Report to the U.S. Pretrial Services as directed.

On December 18, 2013, the defendant failed to report to the U.S. Probation and Pretrial Services Office for his scheduled monthly appointment.

As a sealed Arrest Warrant was issued for the defendant on January 7, 2014, this officer telephoned the defendant on January 9, 2014, at 9:54 a.m. and requested that he come into the probation office. Mr. Moore advised that he lacked transportation because his father's vehicle was being repaired. He expressed his belief that his father would pick the vehicle up from the automotive shop later in the evening and could bring him into the office the next day. This officer encouraged Mr. Moore to try to find a ride to Nashville on the date of the phone call. Further, Mr. Moore was instructed to call the supervising officer back to advise when he would come into the office.

Case No. 3:13-CR-00097-24
February 14, 2014

At the close of business on January 9, 2014, this officer had not heard from Mr. Moore. The U.S. Marshals Service District Fugitive Task Force Coordinator for the Middle District of Tennessee was contacted, and apprehension services were requested.

Violation No. 2: Submit to any testing required by the pretrial services officer or the supervising officer to determine whether the defendant is using a prohibited substance. Such methods may be used with random frequency and include urine testing, the wearing of a sweat patch, a remote alcohol testing system, and/or any form of prohibited substance screening or testing.

On December 13, 2013, Mr. Moore failed to report for a urine screen as directed. He also failed to report for make-up urine screens on December 16, 2013, and on January 9, 2014.

On January 29, 2014, the defendant failed to report for a urine screen as instructed. Additionally, on January 30, 2014, he failed to report, as directed, to the U.S. Probation and Pretrial Services Office for a make-up urine screen. Mr. Moore did not appear for a urine screen scheduled for February 7, 2014.

Violation No. 3: The defendant shall not commit any offense in violation of federal, state or local law while on release in this case.

On the evening of January 30, 2014, this officer received notification that the defendant had law enforcement contact with the Lebanon Police Department. Investigation revealed that on the same date at approximately 7:07 p.m., officers were dispatched to the Knights Inn in Lebanon, Tennessee, to investigate a possible methamphetamine laboratory. When they arrived on the scene, officers encountered a woman, Stephanie Mosley, who allowed them into her motel room. Investigation revealed the room housed a methamphetamine laboratory. A man, identified as Nathan Busard, was discovered hiding in the bathroom. Mr. Busard and Ms. Mosley were taken into custody.

Inside the motel room, officers discovered a camouflage backpack that Ms. Mosley indicated belonged to her. It contained Mason jars with residue, plastic tubing, coffee filters, lithium batteries, and drain cleaner. Additionally, Percocet, methadone, and alprazolam were observed in plain view. For safety reasons, officers removed occupants from other motel rooms located near the scene. The Tennessee Methamphetamine Task Force responded to decontaminate and clean up the motel room.

At approximately 9:50 p.m., officers received a tip that two male subjects located at the Pilot gas station in Lebanon were watching the police activity at the motel. The caller indicated the men said they left their phones at the Knights Inn but would not retrieve them. Further, the caller advised the defendant had entered the women's restroom and left blood everywhere.

At approximately 10:26 p.m., Lebanon City Police Department officers were dispatched to the Pilot

gas station and encountered the defendant and another individual, Christopher Wright. The arresting officer indicated Mr. Moore had red, bloodshot eyes and a white coating on his tongue. According to the officer, defendant Moore voluntarily displayed his arms, which had fresh "track marks" and bruises on them.

The defendant was taken into custody and transported back to the Knights Inn, located at 921 Murfreesboro Road, Lebanon, Tennessee. Mr. Moore consented to a search of his hotel room and was subsequently arrested and transported to booking. He was charged with Public Intoxication (Report No. 14-4806), and on January 31, 2014, defendant Moore was released on his own recognizance.

Of note, Mr. Wright possessed a red straw which contained white residue at the time of his arrest. He admitted he snorted methamphetamine.

On February 14, 2014, subsequent to a positive drug screen, the defendant admitted he has been intravenously using oxycodone and Opana tablets. Specifically, he used these substances as recently as last night.

Violation No. 4: Refrain from use or unlawful possession of a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a licensed medical practitioner.

On February 14, 2014, the defendant reported to the U.S. Probation and Pretrial Services Office and submitted a urine screen that tested positive for amphetamines, buprenorphine, and methamphetamine. As indicated above, the defendant admits to illegal intravenous drug use steadily for the past week.

Current Status of Case:

A bond revocation hearing has been set for February 20, 2014, and a jury trial is scheduled for April 22, 2014, at 9:00 a.m.

Probation Officer Action:

On November 15, 2013, this officer received information that the defendant was released from local custody on October 20, 2013. Contact was made with Sparta Bail Bonds, located in Lebanon, Tennessee, who confirmed the defendant was on bond in an unrelated state criminal case. Efforts were made to locate the defendant, and on November 19, 2013, this officer spoke with the defendant via telephone. An initial intake interview was scheduled for November 20, 2013. During this interview, this officer addressed Mr. Moore's 30-day absence from federal pretrial supervision, and he was encouraged to report as instructed. He was also advised that the Court would have to pre-approve any residential change.

Case No. 3:13-CR-00097-24
February 14, 2014

On December 14, 2013, this officer conducted a home assessment at Mr. Moore's residence. As he had missed a urine screen on the previous day, he was instructed to report to the U.S. Probation and Pretrial Services Office on the morning of December 16, 2013. Additionally, defendant Moore was instructed to contact Cumberland Mental Health Center, located in Lebanon, Tennessee, to schedule his substance abuse intake assessment. He failed to report for a drug screen as directed.

On December 16, 2013, the defendant's girlfriend, Nikki Speakman, called this officer to advise Mr. Moore was ill. On December 17, 2013, Ms. Speakman again contacted this officer and advised the defendant was taken to the hospital.

On January 9, 2014, this officer again requested the defendant report to the office for a urine screen. He failed to comply with this directive.

On January 13, 2014, information was received that the defendant reported to Cumberland Mental Health, located in Lebanon, Tennessee, for a substance abuse assessment. The U.S. Marshals Service was advised of Mr. Moore's whereabouts, and local law enforcement was contacted. Defendant Moore was arrested when he exited Cumberland Mental Health. He was transported to the U.S. Marshals Service, and the sealed warrant was executed. It is noted that on this date, presumably after the defendant's arrest, his girlfriend, Nikki Speakman, telephoned the supervising officer to advise that Mr. Moore had been either ill or at the hospital. This officer requested that Ms. Speakman refrain from contacting the officer on behalf of the defendant.

At the conclusion of the defendant's Initial Appearance on January 13, 2014, he reported to the U.S. Probation and Pretrial Services Office. A drug test was administered, and Mr. Moore was negative for all substances.

On January 29, 2014, the defendant contacted this officer to advise he did not have a ride to the probation office. He was encouraged to find a ride to the office for his urine screen, but he did not report. On January 30, 2014, Mr. Moore was again prompted to report to the office for a urine screen. He did not report as instructed.

On January 31, 2014, at approximately 3:20 p.m., the defendant reported to the U.S. Probation and Pretrial Services Office. He submitted a urine screen that was negative for all substances. Mr. Moore advised this officer of his new arrest, and he denied he was drunk. He reported he has red eyes due to medical reasons. Further, Mr. Moore denied he was given the opportunity to submit to a breathalyzer or blood alcohol test.

The defendant stated he stayed the night at the hotel with his girlfriend, Nikki Speakman, who has moved out of their residence. Defendant Moore reported he still lives at his residence. He was advised he has to obtain permission from the Court before he changes his residence.

This officer questioned whether Mr. Moore has used intravenous drugs. He admitted he last used

intravenous drugs in June 2013. The supervising officer viewed the defendant's arms and feet, and there were no visible signs of immediate intravenous drug use. Mr. Moore was strongly encouraged to explore his transportation options so that he may report for drug screens as scheduled. Further, he was informed the Court would be notified of his noncompliance.

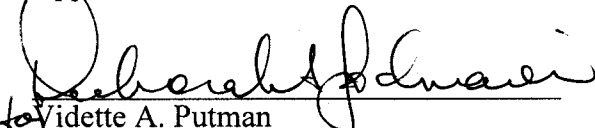

On February 14, 2014, this officer received information that the defendant continues to use illegal or nonprescribed substances. The defendant reported to the U.S. Probation and Pretrial Services Office with his father, at which time a random urine screen was administered, which was positive for amphetamines, buprenorphine, and methamphetamine. This officer counseled the defendant in the presence of his father and the father's girlfriend. The elder Moore insisted the defendant cannot cease from drug use, and he opined the defendant needs inpatient treatment.

Respectfully Petitioning the Court as Follows:

Based upon Mr. Moore's initial failure to report to the U.S. Probation and Pretrial Services when released from custody in October 2013, his failure to report for urine screens in December 2013, and in January 2014, his new arrest for Public Intoxication, and his continued use of illicit substances, Pretrial Services opines that Mr. Moore is incapable of complying with the conditions of his probation and refraining from drug use. Therefore, it is the opinion of Pretrial Services that, due to the nature of the defendant's substance abuse, he is now a danger to himself. Therefore, it is respectfully recommended that a warrant be issued for the defendant's arrest and that he appear before the Court to show cause as to why his bond should not be revoked.

Assistant United States Attorney Brent Hannafan has been advised of the violations and concurs with this recommendation.
